Списак научних радова

1. Кузманоски, М. : *Одређивање поремећене путање мале планете 1952 UV_1*, магистарски рад на Природно–математичком факултету у Београду, 1973.

2. Lazović, J., Kuzmanoski M., *Pairs of quasicomplanar asteroids considered with respect to mutual inclination of their orbits*, Publ. Dept. Astr. Univ. Beograd 5, 1974, 19–51.

3. Lazović, J., Kuzmanoski M., *Groups of quasicomplanar asteroids considered with respect to mutual inclination of their orbits*, Publ. Dept. Astr. Univ. Beograd 5, 1974, 51–85.

4. Kuzmanoski, M., *Determination of thr perturbed orbit of the minor planet 1952 UV_1*, Publ. Obs. Astr. Beograd 20, 1975, 131–137.

5. Lazović, J., Kuzmanoski M., *A contribution to the analysis of pairs of quasicomplanar orbits of numerated asteroids* , Publ. Dept. Astr. Univ. Beograd 6, 1976, 89–101.

6. Lazović, J., Kuzmanoski M., *Minimum distances of the quasicomplanar asteroid orbits* , Publ. Dept. Astr. Univ. Beograd 8, 1978, 47–54.

7. Lazović, J., Kuzmanoski M., *Durations of proximities of particular pairs of quasicomplanar asteroids* , Publ. Dept. Astr. Univ. Beograd 9, 1979, 49–54.

8. Lazović, J., Kuzmanoski M., *Perturbing effects of the asteroid 215 Oenone on the asteroid 1851 = 150 VA during their proximity* , Publ. Dept. Astr. Univ. Beograd 9, 1979, 63–70.

9. Кузманоски, М., *Прилог изучавању структуре планетоидског прстена* , докторска дисертација на Природно–математичком факултету у Београду, 1980.

10. Kuzmanoski M., *Mean plane of asteroidal orbits*, Publ. Dept. Astr. Univ. Beograd 10, 1980, 23–28.

11. Lazović, J., Kuzmanoski M., *Proximities of asteroids (1) Ceres, (2) Pallas, (3) Juno and (4) Vesta*, Publ. Dept. Astr. Univ. Beograd 10, 1980, 29–34.

12. Lazović, J., Kuzmanoski M., *Perturbations in the motion of the quasicomplanar minor planets for the case proximities are under* 10 000 *km*, Publ. Dept. Astr. Univ. Beograd 10, 1980, 35–42.

13. Kuzmanoski M., *The distribution of perihelia of minor planets*, Publ. Dept. Astr. Univ. Beograd 11, 1981, 43–50.

14. Kuzmanoski M., *The form of the asteroidal belt*, Publ. Dept. Astr. Univ. Beograd 11, 1981, 51–56.

15. Lazović, J., Kuzmanoski M., *Estimates of the mutual perturbations in the orbital elements of some interesting quasicomplanar minor planets* , Publ. Dept. Astr. Univ. Beograd 11, 1980, 57–64.

16. Kuzmanoski M., *Some characteristics of the asteroid belt structure*, W. Fricke and G. Teleki (eds.), Sun and Planetary System, D. Reidel Publishing Company, 1982, 403.

17. Lazović, J., Kuzmanoski M., *Ceres', Pallas', Juno's and Vesta's proximities with other numbered minor planets* , Publ. Dept. Astr. Univ. Beograd 12, 1983, 11–18.

18. Lazović, J., Kuzmanoski M., *Perturbing actions of Ceres, Pallas, Juno and Vesta at their proximities with other numbered minor planets*, Publ. Dept. Astr. Univ. Beograd 13, 1985, 13–18.

19. Kuzmanoski, M., *Minimum distances between orbits of minor planets*, Bull. Astron. Belgrade, 145, 1992, 137–143.

20. Kuzmanoski, M., *Close encounters between minor planets*, Bull. Astron. Belgrade, 145, 1992, 145–151.

21. Kuzmanoski, M., *Mutual perturbing effects of minor planets in their orbital elements*, Bull. Astron. Belgrade, 145, 1992, 153–156.

22. Kuzmanoski, M., Knežević, Z., *Close encounters with large asteroids in the next 50 years*, Icarus, 103, 1993, 93–103.

23. Kuzmanoski, M., Knežević, Z., *Asteroid close encounters and mutual perturbations*, Planet. Space Sci., Vol. 42, 4, 1994, 297–299.

24. Kuzmanoski, M., *A method for asteroid mass determination*, Ferraz–Mello et al. (eds.), Dynamics, Ephemerides and Astrometry in the Solar System, 1996 IAU, 207–208.
